This is what I just got from Murray. It looks like they are going to use the displays for Habersham County Sheriff's Office too, per his email. He has attached quotes for what he is wanting purchased.

Morgan,

What Lauren and I had discussed was purchasing one of the modular trade show kits and one of the monitor stands to be shared between GASROE and the sheriff's office. We would also order two of the tables and banner stands so that one could be used for GASROE and the other would be for the sheriff's office.

I have attached 3 price quotes on each for your review.

Thanks,

Murray

I think I still have the quotes on what we planned on ordering under the grant if you need that information.

Thanks,

Murray

Hey Morgan. We were suppose to finish ordering everything out of that grant a few months ago but Lauren never got back with me. I had sent her all of the remaining items to be ordered via email.

I think we have until October of this year. But, we need to go ahead and complete the orders.

Let me know what I can do to help

Thanks.
