To whom it may concern,

On the advice of legal council, I will not be signing the Confidential Separation Agreement at this time. I am not abandoning my position. All of my credentials and keys to the Police Department and the keys to the new Court room at City Hall were turned into Chief Chastain on April 17th , 2026. I was told that my position was being eliminated due to budget restraints and lack of work, and with that reasoning I am needing clarification on why this document states that I am voluntarily resigning.

Thank you,

Rachel Blasberg
