Subject: Threats

Today 9-3-26 @1300 hrs SRO Perkins notified me of a student of the 9th Grade Academy making threats of "something was going to blow up tomorrow at the 9th Grade Academy!" Another student has came forward with concerns about the statements made by this student. The school and SRO Perkins are looking into the situation now. I will give updates as I gather more information. Here is the student which made the statements information attached
