RE: Open Records Act Request/Habersham County School District

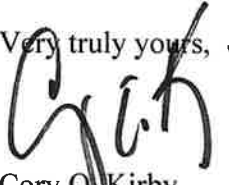

Dear Dr. Angell:

As you know, this firm represents the Habersham County School District, and your emails dated September 9 and 10, 2026, seeking records pursuant to Georgia's Open Records Act was forwarded to us for a response. In your email you request the following:

1. Copies of the School Board Charter from 2000 to present;
2. Copies of Board of Education minutes "where the Met discussed and voted on approving 'BOE Officers' to carry firearms";
3. Board of Education meeting minutes from April, May and June 2013;
4. Copy of the Board of Education charter submission sent to GAPOST on November 20, 2017.

The District estimates it taking eighty (80) hours at an hourly rate of \$24.99 per hour to search, gather, retrieve, and redact the requested information, if it exists, for a total estimated cost to you of \$1,999.20.

Prior to incurring these costs and expending time estimated to provide these records I wanted to confirm your willingness to pay the associated costs. Upon receipt of your confirmation of your willingness to pay the associated costs, the District will move forward with the searching, gathering, and retrieving of the records and anticipate being able to provide those to you, if they exist, within thirty (30) school days.

Very truly yours,

Cory O. Kirby
